

LR 22 Silhouette Match April 21, 2018

Format

Shooters will be shooting chickens at 50 yards standing offhand and pigs, turkeys and rams will be shot at 100, 150, and 200 yards respectively, either prone or off the bench at the shooters option.

The Poulsbo Sportsman Club website was updated recently as follows:

“Due to range limitations and in the interest of completing the match in a reasonable timeframe, the number of shooting positions is limited to 32, spread across 4 relays of 8 shooters each.

Preregistration is strongly encouraged, walk-ons will be accepted the day of the match only as positions are available.”

Donna Jean Bruce will be handling preregistration and in-person registration. **Doug Forsyth** will collect the \$10 match fee and dispense drawing tickets. **Jim Stelson** will conduct the safety meeting and call the match.

Setup will begin at 8:15 Saturday morning. Please come at that time and assist **Art Betz** with that and other tasks so the match can begin promptly at 9 a.m.

Prizes and Drawings

The top shooter will have his/her choice of an embroidered “Top Gun” patch or hat. Additionally, there will be drawings for ammo and other donated items. We will also resume the practice of handing out animal stickers.

Food

There will be a table set up for coffee. Please bring cookies, doughnuts or other food items to share with your fellow shooters. As a reminder, no food or beverage may be consumed inside the shooting area due to regulations by the Washington Department of Labor and Industries.
