

June 17, 2017 LR 22 Silhouette Shoot

Format

Shooters will be shooting chickens at 50 yards standing offhand and pigs, turkeys and rams will be shot at 100, 150, and 200 yards respectively, either prone or off the bench at the shooters option.

The Poulsbo Sportsman Club website was updated recently as follows:

“Due to range limitations and in the interest of completing the match in a reasonable timeframe, the number of shooting positions is limited to 32 spread across 4 relays of 8 shooters each.

Preregistration is strongly encouraged and walk-ons will be accepted the day of the match only as positions are available.”

Preregistration will be “first come, first served” so don’t wait until the last minute to communicate your participation and preference.

Donna Jean Bruce will be handling preregistration and in-person registration. Doug Forsyth will collect the \$10 shoot fee and dispense drawing tickets. Ron Harper and Jerry Prouty will conduct the safety meeting and call the match.

Setup will begin at 8:15 Saturday morning. Shooters are encouraged to come early enough to help with the setup and complete other activities so that shooting can begin promptly at 9 a.m.

Prizes and Drawings

The top shooter will have his/her choice of a “Top Gun” embroidered hat or “Top Gun” embroidered patch. Additionally, there will be drawings for ammo and a laser engraved box donated by Ron Bruce. There will be name patches for shooters from the March and April shoots who have not received one. Please look around the house for items to donate for the drawing table.

Food

There will be a table set up for coffee. Please bring cookies, donuts or other food to share with your fellow shooters! The club has purchased a portable shelter to cover the food and coffee area if we have rainy weather. As a reminder, no food or beverage may be eaten inside the shooting area due to regulations by the Washington Department of Labor and Industries.
