Fellow Silhouette Shooters:

Over the last couple of years we have struggled to get those that attend our matches to "Step-Up" & help with running the matches. There are number of positions that are required. As a review they are:

- 1) Match Director/Coordinator: This person makes sure that the rest of the required positions are filled.
- 2) Pre-Registration & Squadding: Currently filled by Donna Jean.
- 3) On-Site Registration & Match Fee Collection: Currently filled by Doug Forsyth.
- 4) Relay Callers: Normally filled by Jim Stelson but there are times he can't attend so attendees that are not either shooting or spotting need to fill in.
- 5) Safety Officer: Again..."IF" Jim Stelson is calling the relays, he can be the RSO. If he does not attend, then other shooters who have RSO training need to fill in.
- 6) Set-Up Crew: Art has a great group of attendees that do this function each month BUT there are times where his crew is short of workers. We have asked that attendees show up between 08:00 & 08:15 hrs. to assist the crew if required.
- 7) Coffee Table & Canopy: If the group wants coffee, then 1 or 2 attendees need to set up the cover, table, & coffee items.
- 8) Prize Drawing: If the Match Director wants to have a drawing, prizes need to be purchased.
- 9) Award Ceremony: If the Director wants to hand out "stickers" then there needs to be a current supply of them. We may be out at this time?

As I previously advised, I will out of town this month. Also we are without a match director, relay callers, safety officer & other positions as well. Due to this lack of support, please be advised that the June Silhouette match is cancelled. If enough people step up for July, we may have a match?
