

## PSC Membership - Special Invitation

March 27, 2014

For our regularly scheduled meeting on April Fool's Day (oops, seriously folks, April 1<sup>st</sup>), the primary agenda item will be an open discussion of the proposed Mission, Vision, and long-term goals of the club. These are the result, in draft form, of the work of the EB and four of our members with long-term and much appreciated insights to the club over the last weeks. The work has been directed and moderated by our advisor on the matter, Liz Heath, who has an extensive background working with not-for-profit organizations.

This is an opportunity to hear the proposals directly so you won't have to tie up the 200 yard line to get the news late. You will have the opportunity to join the discussion to clarify, verify, or criticize the proposals, and the board and committee unanimously hope that you will take the time to offer your own view of how the club should plan to move forward.

We have not posted the document because it is only an initial draft. We are inviting comment at the meeting for the board to consider as they refine the document in April. Once that work is complete, we will post the final proposal on the website. If you are not able to be at the meeting and want your thoughts about the future of the club to be considered, feel free to send them to Liz Heath in an email. [liz@soundnonprofits.com](mailto:liz@soundnonprofits.com)

We want to hear from you, this coming Tuesday evening at 6:30 PM in the club house.

Doug O'Connor  
President
