

CHAMBER CUT-OFF PASSES, MORE BILLS DIE  
BILL TRACKING LIST NARROWED  
PUBLIC HEARINGS SCHEDULED  
IT'S NOT OVER TIL IT'S OVER  
MOUNT RAINIER FRIENDS OF NRA BANQUET

5 p.m. on Wednesday was chamber cut-off: House bills that had not passed out of the House, and Senate bills that had not passed out of the Senate, died for the session. We are now down to a very manageable list of five bills to follow. 34 gun bills were filed this year, nowhere near the 60+ filed in the last two year biennium. And as is typical, most never passed the half-way mark.

As the 5 o'clock bell rang in Olympia on Wednesday, the House still hadn't reached HBs 1122, 1483 and 1731. The Senate stopped short of SB 5506. So those bills should be considered dead for the session, but the Senate version of HB 1731, SB 5552, is still running in the House. Keep in mind, too, that this is the first year of a biennium, meaning all the bills filed this year that did not make it can be called back next year. Or during any special session.

And now there are five. HB 1100, HB 1501, HB 1612, SB 5268 and SB 5552. Two of the bills are essentially duplicates: HB 1100 and SB 5268 both mandate mailing a renewal notice 90 days before a CPL expires, a long overdue fix. The HB 1100 was amended in the House, so it will have to be reconciled with SB 5268 in the next four weeks. HB 1501 requires FFLs to notify the State Patrol of NICS denials, who are then directed to initiate an investigation (many/most of which will go nowhere because of misidentifications). HB 1612 promotes suicide awareness education. And SB 5552 is the Senate version of the minor tweaks to I-594 background checks (e.g. no check required for in-laws, or for loans at the range where the owner stays with the firearm).

Not much of a positive outcome midway through, but if you look at all the anti-gun bills filed, it's encouraging to see none got traction. We're not going to see pro-gun bills sail through until a pro-gun House is put in place to match a pro-gun Senate.

Public hearings will be conducted on HB 1612 and SB 5268. SB 5552 will be subject to an executive session (committee vote). Details below.

We're halfway through the session, and already the bill list is down to five. But it's not over yet. And should a shooting incident occur that "fits" one of these bills, you can expect them to try and revive it. The fat lady doesn't sing until midnight on 23 April!

The Mount Rainier chapter of Friends of NRA will conduct its 24<sup>th</sup> annual Friends of NRA dinner and auction at the Emerald Queen Casino Conference Center in Fife on Saturday, April 8<sup>th</sup>. Doors open at 4:00 p.m. and dinner starts at 7:00. Nearly three dozen guns and hundreds of other prizes will be raffled off. If you have never attended one, I strongly urge you to consider it. It's a great event for a fun cause. For additional information call (253) 841-7113 or e-mail "[visit2ndamd@comcast.net](mailto:visit2ndamd@comcast.net)."
