

PSC Notes

September 4, 2015

I was notified today by Larry Keeton, director of Kitsap County Department of Community Development that our application and inspection were complete and our operating permit was issued.

The Inspection Report, The Permit and Mr. Keeton's letter are available on our website in our Government Relations Section.

To all of you that offered time, energy, advice, and patience I sincerely thank you.

Doug O'Connor
President
Poulsbo Sportsman Club
