

# Shotgun Report 2017

February 27, 2018

2017 was a good year for shotgun, we accomplished a lot of things safely and had fun doing it.

First, we shot the interclub and won back the trophy, we had loaned it out to Gig Harbor for one year but it's ours again and we plan to keep it. We had a very successful PITA match. We had a very successful turkey shoot at Thanksgiving and gave away a lot of turkeys. Then we had a ham shoot at Christmas and again gave away a lot of hams. Our after-hours on Thursday evenings has been very successful and we will start it back up again around daylight savings time. We got to remodel the five-stand putting all of the electrical wires underground in conduit, so they no longer attack the lawn mower blades. Unfortunately, we had to raise our prices as the state last June took away all exemptions from sales tax on the Clay birds which meant every trap club in the state had to start charging tax for the clay birds.

We have new ideas and new plans for 2018 and it looks to be a good year for this. That being said, I would like to take this opportunity to thank each and every one of them for their fine work and dedication to make all this happen. We still could use some help so if you have a particular skill or desire to help come and see us.
